Make your idea count in the InnovateSask Challenge 2020-2021

Community Futures Ventures is proud to announce their very first InnovateSask Challenge 2020. The global pandemic has drastically impacted us and changed the way things function globally. Innovative ways to tackle the situation is the need of the hour and who best can address it other than our own people of Saskatchewan. Community Futures Ventures believes in growing our communities and its businesses.

InnovateSask Challenge 2020-2021 is an excellent opportunity for residents of Saskatchewan to present their ideas, which can address the challenges we are facing due to COVID-19. The Challenge is held in two categories, individual and group to a maximum of 4. The registration for the event opens on 4th Nov 2020 and closes on 18th Nov 2020. Participants can win exciting cash prizes for 1st, 2nd & 3rd places. This would be a wonderful platform to showcase your innovative ideas, to help our communities recover from the impacts of COVID-19.

Community Futures Ventures is looking forward to hearing some out of the box ideas from the people of Saskatchewan. For more information please contact Community Futures Ventures office at (306)-782-0255 or email info@cfventures.net
